

ISMOCD 2017 - CONFERENCE SCHEDULE

01 SEP 2017

Venue: Dhanvantari Auditorium

| TIME | EVENT | |
|--------------------|---|--|
| 0800-0845h | Registration | |
| 0900-1045h | Inauguration ceremony (To be seated by 0845h) | |
| 0900-0905h | Address by Chairperson, Organizing Committee | Air Cmde Renuka Kunte Prof & HOD, Dept of Community Medicine, AFMC |
| 0905-0910h | Welcome address by Director & Commandant, AFMC | Air Marshal CK Ranjan, AVSM, VSM |
| 0910-0915h | Lamp lighting by dignitaries on dais | |
| 0915-0920h | Address by Chairman, ISMOCD & IAE | Dr Shiv Lal |
| 0920-0925h | Address by President ISMOCD | Dr AC Dhariwal |
| 0925-0930h | Address by President IAE | Dr Anil Kumar |
| 0930-0935h | Release of Souvenir | |
| 0935-0945h | Inaugural address by Chief Guest | Air Marshal Pawan Kapoor, VSM**, PHS DGMS (AIR) |
| 0945-1000h | Address by Guest of Honour | Dr Henk Bekedam WR India |
| 1000-1020h | Award Ceremony | |
| 1020-1025h | Vote of Thanks by Organizing Secretary | Dr Rina Tilak, Sc 'G' Dept of Community Medicine, AFMC |
| 1025-1045h | KEY NOTE ADDRESS "Modern tools and multidisciplinary approach for combating new emerging communicable diseases: views and new insights" | |
| CHAIRPERSON | Air Marshal CK Ranjan, AVSM, VSM Director & Commandant, AFMC, Pune | |
| SPEAKER | Dr Viroj Wiwanitkit Prof Chulalongkom University Bangkok, Thailand | |
| 1045-1100h | HIGH TEA AT DHANVANTARI ANNEXE | |

PLENARY I – EMERGING AND RE- EMERGING DISEASES (1100-1140h)

| VENUE | DHANVANTARI AUDITORIUM | |
|---------------------|---|--|
| CHAIRPERSONS | 1. Dr Henk Bekedam WR India 2. Maj Gen Madhuri Kanitkar, VSM Dean & Dy Cmt, AFMC | |
| TIME | TOPIC | SPEAKER |
| 1100-1120h | Crimean – Congo Hemorrhagic Fever in India | Dr DT Mourya Director NIV, Pune |
| 1120-1140h | Progress and challenges towards elimination of vector borne diseases in India | Dr PK Sen Director NVBDCP, Delhi |

PARALLEL SESSIONS (I) – INVITED LECTURES (1150-1335h)

| VENUE | ATREYA – EMERGING VIRAL DISEASES | |
|---------------------|---|---|
| CHAIRPERSONS | 1. Dr Shiv Lal Ex Spl DGHS 2. Dr Amitav Banerjee Prof & HOD, Dept of Community Medicine, Dr DY Patil Medical College, Pune | |
| TIME | TOPIC | SPEAKER |
| 1150-1205h | Mosquito borne viral diseases: “Threats & Challenges in the context of changing environment.” | Dr Sajal Bhattacharya Head Post Graduate Department of Zoology, Asutosh College, University of Calcutta |
| 1205-1220 | Japanese encephalitis epidemiology in Maharashtra and Telangana: Need for enhancing surveillance and prevention efforts | Dr Babasaheb Tandale Sc ‘E’, NIV |
| 1220-1235h | Current scenario of KFD in India | Dr Pragya D Yadav Sc‘E’, Head Biosafety level IV facility, NIV Pune |
| 1235-1250h | Acute Encephalitis Syndrome: Surveillance | Gp Capt V Venkateshwar Classified Spl (Paediatrics), 12 AFH, Gorakhpur |
| 1250-1305h | Proteomics of salivary gland of <i>Aedes aegypti</i> | Lt Col Rakhi Dhawan Prof, Dept of Community Medicine, AFMC |
| 1305-1320h | LLINs- A strategic tool in malaria transmission control | Dr Ramanathan Natarajan VKA Polymers |
| 1320-1335h | Newer strategies in mosquito control | Dr William Jany USA |

| VENUE | CHARAKA – KALA-AZAR ELIMINATION - REGIONAL PERSPECTIVE | |
|---------------------|---|---|
| CHAIRPERSONS | 1. Air Cmde Renuka Kunte Prof & Head, Dept of Community Medicine, AFMC, Pune 2. Dr Stefanie Meredith Program Director KalaCORE | |
| TIME | TOPIC | SPEAKER |
| 1150-1202h | Visceral Leishmaniasis elimination - where does India stand? | Dr RK Das Gupta Jt Director, NVBDCP |
| 1202-1215h | A guideline for management of visceral leishmaniasis outbreak: the first step to VL outbreak response in Bangladesh | Dr Dinesh Mondal Sr Scientist, International Centre for Diarrhoeal Disease Research, Bangladesh |
| 1215-1227h | Progress and challenges towards Kala-azar Elimination in Nepal | Dr Surendra Uranw Asst Prof, Internal Medicine, B.P. Koirala Institute of Health Science, Dharan, Nepal |
| 1227-1240h | Importance of Pharmacovigilance in Public Health: The Roadmap for Implementation of Pharmacovigilance for Kala Azar | Dr Nicole Simone Seguy WHO Malaria Pre elimination |
| 1240-1253h | Incidence of Post Kala-azar Dermal Leishmaniasis (PKDL) and Visceral Leishmaniasis Relapse (VLR) amongst visceral leishmaniasis patients treated with different monotherapy regimen in Bangladesh | Dr Amresh Kumar Team Leader/Senior Medical Officer at PATH |
| 1253-1305h | Diversity of Visceral Leishmaniasis treatments in different regions and disease niches | Dr Suman Rijal Director DNDi |
| 1305-1322h | Lessons learnt in Kala-azar elimination & control in Asia & Africa: A KalaCORE perspective | Dr Vikas Aggarwal KalaCORE |
| 1322-1335h | Essence of case detection as a pillar in Kala-azar elimination-India | Dr Kingsuk Misra KalaCORE |

| VENUE | SUSHRUTA - MALARIA PRE ELIMINATION - SHARING EXPERIENCES | |
|---------------------|---|---|
| CHAIRPERSONS | 1. Dr Nicole Simone Seguy WHO Malaria Pre elimination 2. Dr S K Ghosh Scientist G, Dir RIMR, Bengaluru | |
| TIME | TOPIC | SPEAKER |
| 1150-1205h | Malaria pre-elimination: National strategies | Dr Neeraj Dhingra Addl. Dir, NVBDCP |
| 1205-1220h | Intensified malaria control projects in 7 NE States: A success story of malaria control | Dr Avdhesh Kumar Addl. Dir, NVBDCP |
| 1220-1235h | WHO updates in Vector Control – Global vector control response | Dr Roop Kumari Focal point for malaria &VBD,WHO India |
| 1235-1250h | Malaria in Armed Forces | Air Cmde S Mukherji PMO Central Air Command |
| 1250-1305h | Management of complicated Malaria | Air Cmde VK Sashindran Prof & Head, Dept of Internal Medicine, AFMC, Pune |
| 1305-1320h | Urban Vector Borne Diseases Scheme and NUHM: Implementation issues | Dr SN Sharma M&E Specialist, NVBDCP |

| | | |
|-------------------|---|---|
| 1320-1335h | Dilemmas in Malaria diagnosis and treatment. | Dr TD Khatri Former Research Officer, ROHFW, Rajasthan |
| 1300-1430h | IEC POSTER MAKING COMPETITION AT HOBBIES CLUB, APRAMEYA HALL | |
| | MODERATORS: Lt Col Puja Dudeja, Maj Pooja Shankar, Maj Smita Singh | |
| | JUDGES : Dr Kalpana Baruah, Lt Col Anurag Khara | |
| 1335-1430h | LUNCH AT DHANVANTARI AUDITORIUM ANNEXE | |

**PLENARY II – COMBATING COMMUNICABLE DISEASES – ACHIEVEMENTS ACCOMPLISHED AND THE WAY FORWARD
(1430-1530h)**

| | | |
|---------------------|--|---|
| VENUE | DHANVANTARI AUDITORIUM | |
| CHAIRPERSONS | 1. Dr AC Dhariwal Dir NCDC 2. Dr Jagbir Singh Prof, Punjabi Univ, Patiala | |
| TIME | TOPIC | SPEAKER |
| 1430-1450h | "Dengue epidemiology, surveillance and control, with special reference to hyper endemic Kerala and Tamil Nadu States, India" | Dr BK Tyagi Former Director CRME, Madurai |
| 1450-1510h | "An India without Malaria!" | Dr Ashwani Kumar Scientist 'G' NIMR Field StationGoa |
| 1510-1530h | "Lessons learnt from polio eradication" | Dr Ranjana Kumar Head of CountryTeam, Asia and Western Pacific Region, GAVI, Geneva |
| 1530-1545h | TEA AT DA ANNEXE | |

PARALLEL SESSIONS (II) – INVITED LECTURES (1600-1645h)

| | | |
|---------------------|--|---|
| VENUE | ATREYA – DENGUE | |
| CHAIRPERSONS | 1. Dr PK Sen Director NVBDCP 2. Dr BK Tyagi Former Director CRME, Madurai | |
| TIME | TOPIC | SPEAKER |
| 1600-1615h | Combating Dengue and Chikungunya in India: Present and future challenges | Dr Kalpana Baruah Jt Dir, NVBDCP |
| 1615-1630h | Taming the Tiger mosquito: The Armed Forces Strategy | Brig AK Jindal, YSM DDGST(FI), O/o DGAFMS |
| 1630-1645h | Control of Dengue outbreak : Field experience | Col R Kunwar Col Health, HQ 3 Corps (Med) |

| | | |
|---------------------|--|--|
| VENUE | CHARAKA- NEWER APPROACHES TO VECTOR CONTROL | |
| CHAIRPERSONS | 1. Dr RS Sharma Former additional Director NVBDCP 2. Dr Ashwani Kumar Dir NIMR Field Station, Goa | |
| TIME | TOPIC | SPEAKER |
| 1600-1615h | Biological control of mosquitoes: a new approach through inter mosquito-trematode larval antagonism | Dr Neera Kapoor Prof & Head, IGNOU |
| 1615-1630h | <i>Mesocyclops apercicornis</i> : A potential predator and competitor of <i>Aedes aegypti</i> larvae | Dr Devinder Kaur Kocher Dept of Zoology, PAU, Ludhiana |
| 1630-1645h | A study on the bio-absorption and bio-remediation capacity of <i>Bacillus thuringiensis var israelensis</i> | Mr S Sarkar Vice President, Ajay Biotech |

| | | |
|---------------------|--|---|
| VENUE | SUSHRUTA – COMMUNICABLE DISEASES : MANAGEMENT AND CHALLENGES | |
| CHAIRPERSONS | 1. Air Cmde S Mukherji PMO, Central Air Command 2. Dr S Chincholikar Prof & Head, Dept of Community Medicine, MIMER | |
| TIME | TOPIC | SPEAKER |
| 1600-1615h | Progress towards elimination of Lymphatic Filariasis program in India | Dr Nupur Roy Addl Dir NVBDCP |
| 1615-1630h | H1N1 Pandemic - the lessons learnt | Dr M Tambe Dy Dean BJ Medical College, Pune |
| 1630-1645h | Adult immunization in Armed Forces | Air Cmde R Vaidya DDG Coord, O/o DGAFMS |

PARALLEL SESSIONS (III) – INVITED LECTURES (1645-1730h)

| ATREYA - INNOVATIVE APPROACHES IN COMBATING COMMUNICABLE DISEASES | | |
|--|---|---|
| VENUE | ATREYA - INNOVATIVE APPROACHES IN COMBATING COMMUNICABLE DISEASES | |
| CHAIRPERSONS | 1. Dr Nupur Roy Addl Dir, NVBDCP 2. Dr Roop Kumari WHO | |
| TIME | TOPIC | SPEAKER |
| 1645-1700h | Innovative Mosquito Trap - Mozzart | Er Adheesh Telang Dolphin Floats Pvt Ltd |
| 1700-1715h | An innovative concept of vector management | Col S Chattopadhyay (Retd) Prof, Dept of Community Medicine, Subharti Medical College, Meerut |
| 1715-1730h | Karnataka: Steady progress towards malaria elimination | Dr K Ravi Kumar Senior Regional Director, ROHFW Bangalore |
| CHARAKA- ENTOMOLOGICAL SURVEILLANCE AND VECTOR MANAGEMENT | | |
| CHAIRPERSONS | 1. Prof Amarjeet Singh PGI, Chandigarh 2. Brig AK Jindal, YSM DDGST(FI), O/o DGAFMS | |
| TIME | TOPIC | SPEAKER |
| 1645-1700h | Assessment of progress of elimination of Lymphatic Filariasis in Uttara Kannada district of Karnataka | Dr Prakash Kumar DHS, Bengaluru |
| 1700-1715h | Filaria survey in Armed Forces: Need a revisit | Col AS Kushwaha OC SHO Kirkee |
| 1715-1730h | Effective spraying technologies for vector control | Mr Pravin Kulkarni Regional Head, West – Central region, Andreas STIHL Pvt Ltd |
| SUSHRUTA: GLOBAL PUBLIC HEALTH CHALLENGES | | |
| CHAIRPERSONS | 1. Dr Neeraj Dhingra Addl Director, NVBDCP 2. Dr PS Chawla Prof & HOD, Department of Community Medicine, SKNMC, Pune | |
| TIME | TOPIC | SPEAKER |
| 1645-1700h | Global Health Security Initiative; how to prevent, detect and respond to public health emergencies | Dr Rajeesh Sharma PHS & Nodal Officer, CDC-GHSA |
| 1700-1715h | Rotavirus gastroenteritis – recent updates | Dr Somenath Karmarkar Addl Dir& Head CARD, NCDC |
| 1715-1730h | Epidemiology of faeco-orally transmitted viral hepatitis: Armed Forces perspective | Brig Atul Kotwal, SM, VSM Prof & HOD, Dept of Community Medicine, Army College of Medical Sciences, New Delhi |
| 1730-1830h | GBM OF ISMOCD & IAE AT DHANVANTARI AUDITORIUM | |
| 2000h onwards | BANQUET AT AFMC OFFICERS' MESS | |

| | | |
|---|--|--|
| 0800-0900h | BREAKFAST AT DHANVANTARI ANNEXE | |
| PARALLEL SESSIONS (IV) – INVITED LECTURES (0900-0945h) | | |
| VENUE | ATREYA–VECTOR BORNE DISEASES | |
| CHAIRPERSONS | 1. Dr Avdhesh Kumar Addl. Dir, NVBDCP 2. Dr RK Das Gupta Jt Director, NVBDCP | |
| TIME | TOPIC | SPEAKER |
| 0900-0915h | Integrated Vector Management : Roadblocks in implementation | Dr PK Srivastava Jt Dir, NVBDCP |
| 0915-0930h | Innovations in IVM: Herbal Nano particles in mosquito control | Dr R Ramanibai Prof & Head, Dept of Zoology, Univ of Madras |
| 0930-0945h | Rickettsial infections in India | Dr Naveen Gupta Incharge Hydatid/Rickettsial division, NCDC |
| VENUE | CHARAKA – NEWER PERSPECTIVES IN COMMUNICABLE DISEASES | |
| CHAIRPERSONS | 1. Brig Zile Singh (Retd) Prof & Head, Dept of Community Medicine, PIMS, Puducherry 2. Dr PP Doke Former Director Maharashtra Health Services | |
| TIME | TOPIC | SPEAKER |
| 0900-0915h | Rabies after post exposure prophylaxis | Col Vani Suryam Col Health HQ NC (Med) |
| 0915-0930h | Water safety during moves in Armed Forces | Col S Adhya Col Health HQ EC (Med) |
| 0930-0945h | Mathematical modelling in Communicable diseases | Lt Col Rajneesh Joshi Assoc. Prof, Dept of Community Medicine, AFMC |
| VENUE | SUSHRUTA- CATCH THEM EARLY, NEWER TECHNIQUES IN DIAGNOSTICS | |
| CHAIRPERSONS | 1. Brig Reena Bharadwaj, VSM Prof & Head, Dept of Pathology, AFMC, Pune 2. Col SK Kaushik Col Health HQWNC (Med) | |
| TIME | TOPIC | SPEAKER |
| 0900-0915h | Diagnosis of infection at Point of Care – is there a point? | Brig KK Lahiri (Retd) Prof & HOD, Dept of Microbiology Bharati Vidyapeeth, Pune |
| 0915-0930h | Recent advances in diagnostics | Col Sourav Sen Prof & Head, Dept of Microbiology, AFMC, Pune |
| 0930-0945h | Quality assurance of malaria diagnostics with special reference to microscopy for malaria elimination in India | Dr Suman Lata Wattal Dy Director, NVBDCP |
| 0945-1015h | TEA AT DA ANNEXE | |
| PLENARY III - COMMUNICABLE DISEASES- NEWER STRATEGIES (1015-1115h) | | |
| VENUE | DHANVANTARI AUDITORIUM | |
| CHAIRPERSONS | 1. AVM RK Ranyal, VSM ADG (HR) 2. Dr Rina Tilak Sc 'G', AFMC | |
| TIME | TOPIC | SPEAKER |
| 1015-1035h | Combating communicable diseases – success story of Maharashtra | Dr S Salunke Former Director Maharashtra Health Services |
| 1035-1055h | Desert Malaria- Are we doing enough? | Dr Arti Prasad Prof & Head, Dept of Zoology, Univ of Udaipur |
| 1055-1115h | Advanced Molecular Detection Technologies in Combating Communicable Diseases: Current Trends and Future Perspectives | Dr MM Parida Sc 'G', DFRL, Mysore |
| NLH - ORAL PRESENTATIONS (1120-1300h) | | |
| VENUE | ATREYA | |
| CHAIRPERSONS | 1. Dr PK Srivastava Jt Dir NVBDCP 2. Dr Arvind Nath Sc 'E' Innovation, Translation & Research, ICMR | |
| TIME | TOPIC | SPEAKER |
| 1120-1130h | Strategies to control sandfly vector of Kala-azar | Dr Kamal Kishore |
| 1130-1140h | KFD surveillance system evaluation, Shivamogga, Karnataka and Sindhudurg, Maharashtra, India: 2016-2017 | Dr Ashok Kumar Talyan |

| | | |
|------------|--|-----------------------------|
| 1140-1150h | Resting behavior of present day <i>Phlebotomous argentipes</i> (<i>Diptera psychodidae</i>) a vector of visceral leishmaniasis in an endemic part of Bihar | Dr Ashok Kumar Mukhopadhyay |
| 1150-1200h | Evaluating the impact of 06 rounds of MDA long with additional 12 days DEC on mf rate and among children under 5 years | Dr Anil Kumar |
| 1200-1210h | Evaluation of mass drug administration for elimination of lymphatic filariasis in Palakkad district of Kerala | Dr R Rajendran Ramachandran |
| 1210-1220h | Vector dynamics in terms of biology and relevant ecological conditions – a constraint in control of activity | Dr Diwakar Singh Dinesh |
| 1220-1230h | Resistance of <i>Phlebotomous argentipes</i> (<i>Diptera psychodidae</i>) a vector of visceral leishmaniasis to insecticides in India | Dr Ram Singh |
| 1230-1240h | Kinetics of <i>Plasmodium vivax</i> development in wild <i>Anopheles stephensi</i> | Dr Ajeet Kumar Mohanty |
| 1240-1250h | Comparison of vertical distribution of <i>Phlebotomous argentipes</i> among IRS and non-IRS village in Kala-azar endemic foci of Bihar | Mr Jyotirmoy Nandi |
| 1250-1300h | Outbreak of visceral leishmaniasis in a non-endemic district of Bihar – an entomological survey | Ms Chandrima Das |

| | | |
|---------------------|---|---------------------------|
| VENUE | CHARAKA | |
| CHAIRPERSONS | 1. Brig S Syed Brig Adm, MH CTC Pune 2. Col Dinesh Bhatnagar (Retd) Prof & Head, Dept of Community Medicine, Udaipur | |
| TIME | TOPIC | SPEAKER |
| 1120-1130h | Aircraft disinfection - Preventing vector borne diseases across international boundaries | Sqn Ldr (Dr) Vibha Tiwari |
| 1130-1140h | Distribution of Bio-Eco-Social determinants of Aedes breeding in Western Maharashtra | Maj (Dr) Gurpreet Singh |
| 1140-1150h | Challenges in control of dengue outbreak in a large military station: The importance of community ownership and collaborative effort | Lt Col (Dr) Yaduvir Singh |
| 1150-1200h | Reaching the unreachable-Innovation to enhance OP efficiency of SHO/FHO staff | Lt Col (Dr) Atul Puthia |
| 1200-1210h | KAP study regarding Aedes mosquito among urban slum population of Rohtak | Dr Neelam Kumar |
| 1210-1220h | Laboratory evaluation of plant extracts (<i>Cuscuta reflexa</i> and <i>Butea monosperma</i>) as potential larvicides against Aedes-the vector of Dengue | Lt (Dr) Nikhil Sisodiya |
| 1220-1230h | Proof of the preventive health pudding is in cost analysis: Economic benefits of dengue prevention | Maj (Dr) Manmohan Brar |
| 1230-1240h | Indoor residual spraying usage behaviour among residents of District Nuh, Mewat (Haryana) | Dr Pawan Goel |
| 1240-1250h | Experiencing and compring the efficacy of SP-IRS versus DDT-IRS for controlling VL vector at Bihar | Dr Vijay Kumar |
| 1250-1300h | Control beliefs about using IRS as per guidelines among residents of district Mewat, Haryana | Dr Arun Kumar |

| | | |
|---------------------|--|----------------------------|
| VENUE | SUSHRUTA | |
| CHAIRPERSONS | 1. Dr Susmita Bhattacharya Prof & Head, Dept of Community Medicine, BJMC, Pune 2. Dr AS Narula Asst Prof, Dept. of Community Medicine, Bharati Vidyapeeth, Pune | |
| TIME | TOPIC | SPEAKER |
| 1120-1130h | Development of Health Education modules for community health workers by medical students | Dr Rahul Ramesh Bogam |
| 1130-1140h | BCC as key to optimization of vector borne disease control among military personnel and families: A cross sectional study | Surg Cdr Anand N |
| 1140-1150h | Reverse osmosis water - Health advantages and disadvantages | Lt Col (Dr) Tripti Agrawal |
| 1150-1200h | A study to assess drinking water facility at urban field practice area of a medical college | Dr Mahesh S Hoolageri |
| 1200-1210h | Outbreak investigation of ADD during a religious mass gathering associated with drinking contaminated pipeline water, Radhakund, UP-Nov 2016 | Lt Col (Dr) Rajesh Sahu |
| 1210-1220h | Awareness among medical practitioners regarding Zika Virus: A cross sectional survey | Dr Swati Ghonge |
| 1220-1230h | Knowledge, Attitude and Practices Regarding Mosquito borne diseases among young adults | Dr Elvira Antonio Noronha |
| 1230-1240h | Nutritional Assessment of Geriatric population visiting a tertiary care hospital: A Cross-sectional study | Maj (Dr) Richa Naik |
| 1240-1250h | eVIN | Dr Pankaj Somani |

| | |
|------------|--------------------|
| 1300-1400h | LUNCH AT DA ANNEXE |
|------------|--------------------|

PARALLEL SESSIONS (V) – INVITED LECTURES (1400-1445h)

| | | |
|---------------------|---|--|
| VENUE | ATREYA – AROUND THE WORLD WITHOUT DELAY, INTERNATIONAL HEALTH | |
| CHAIRPERSONS | 1. Dr S K Singh DDG, International Health 2. Dr Narayanappa M Prof & HOD DNB Family Medicine, St Marthas Hospital, Bengaluru | |
| TIME | TOPIC | SPEAKER |
| 1400-1415h | MERS Corona Virus – India at points of entry | Dr Himanshu Chauhan DADG, International Health |
| 1415-1430h | Newer perspectives in management of antibiotic resistance | Dr Ashok J Tamhankar National Coord, IIMAR |
| 1430-1445h | Antimicrobial containment country response: challenges and way forward | Dr Sunil Gupta Addl Director & HOD, Microbiology, NCDC |

| | | |
|---------------------|---|---|
| VENUE | CHARAKA – THE OLD ORDER OF DISEASES & OTHER NEGLECTED DISEASES | |
| CHAIRPERSONS | 1. Gp Capt Suchitra Mankar (Retd) Founder Director, Doorstep Health Services Pvt Ltd 2. Col K Chatterjee Assoc. Prof, Dept of Community Medicine, AFMC | |
| TIME | TOPIC | SPEAKER |
| 1400-1415h | HIV – VL Co-infection | Dr Deepak Kumar Medical Activities Manager, MSF India |
| 1415-1430h | Scrub typhus: A re-emerging disease | Surg Cmde NK Mahesh, VSM Prof & Head, Dept of Internal Medicine, BHDC |
| 1430-1445h | Newer modes of transmission of Leptospirosis | Surg Capt Sougat Ray SSO Health, HQ WNC |

| | | |
|---------------------|--|--|
| VENUE | SUSHRUTA: ENVIRONMENT & CLIMATE | |
| CHAIRPERSONS | 1. Dr Anil Kumar DDG, Leprosy 2. Col Vani Suryam Col Health HQ NC (Med) | |
| TIME | TOPIC | SPEAKER |
| 1400-1415h | Vector Borne Diseases in changing climate and ecological scenario: Country's need and preparedness | Dr RC Dhiman Sc 'G', NIMR |
| 1415-1430h | Water quality & Health-emerging problems and solutions | Dr Sunderrajan Krishnan Executive Dir, INREM, Anand |
| 1430-1445h | Air pollution and its consequences | Dr Gursumeeran Satsangi Asst Prof, Dept of Chemistry, University of Pune |

| | |
|------------|------------------|
| 1445-1515h | TEA AT DA ANNEXE |
|------------|------------------|

INTER COLLEGE UG QUIZ

| | |
|--------------------|---|
| VENUE | DHANVANTARI AUDITORIUM |
| TIME | 1515-1615h |
| QUIZ MASTER | Maj Pooja Shankar |
| JURY | 1. Air Cmde R Vaidya DDG Coord, O/o DGAFMS 2. Lt Col Puja Dudeja Assoc. Prof Dept. of Community Medicine |

E-POSTER COMPETITION

| | |
|---------------------|--|
| VENUE | DA/NLH FOYER |
| TIME | 1615-1730h |
| JUDGES (2x6) | TEAM 1: Dr Wasana K & Brig S Syed TEAM 2: Col Shishir Jain & Lt Col Anurag Khara TEAM 3: Col AS Kushwaha & Lt Col R Mukherjee TEAM 4: Col SK Kaushik & Lt Col Prerna Shankar TEAM 5: Mr DR Basannar & Lt Col A Yadav TEAM 6: Dr Seema Patrikar & Lt Col RK Joshi |
| 1930h onwards | DHANVANTARI ANNEXE DINNER |

NLH - ORAL PRESENTATIONS (0845-0955h)

| NLH - ORAL PRESENTATIONS (0845-0955h) | | |
|--|---|---|
| VENUE | ATREYA | |
| CHAIRPERSONS | 1. Brig AK Verma (Retd) Director, Rao Nursing Home 2. Dr Jagbir Singh Prof, Punjabi Univ, Patiala | |
| TIME | TOPIC | SPEAKER |
| 0845-0855h | Comparative entomological study on ecology and behavior of Anopheline mosquitoes in the Aravalli hills of Udaipur district | Dr Devendra Kumar |
| 0855-0905h | Filarial Survey in Armed Forces : Need a revisit | Col (Dr) PMP Singh |
| 0905-0915h | Investigating the role of Duffy Antigen receptor for chemokines (DARC/ACKR1) in complicated P.vivax malaria | Mrs Hargobinder Kaur |
| 0915-0925h | Implementation of IEC/BCC activities for Kala-azar elimination with active community participation | Dr Vidya Raghavan |
| 0925-0935h | Community Participation in Malaria Prevention and Control: Myanmar Experience | Capt (Dr) Ye Nyi Nyi |
| 0935-0945h | A study of malaria among construction site workers in Goa | Dr Dipashree MS Talaulikar |
| 0945-0955h | A cross sectional study to assess psychosocial stressors and coping mechanisms adopted among adolescents in an urban slum | Maj (Dr) Indranil Samanta |
| VENUE | CHARAKA | |
| CHAIRPERSONS | 1. Dr RC Dhiman Sc 'G', NMIR 2. Surg Capt Sougat Ray SSO Health, HQ WNC | |
| TIME | TOPIC | SPEAKER |
| 0845-0855h | Vector borne diseases in our backyard; control measures followed in community comparative study | Dr Jyoti A Landge |
| 0855-0905h | Operational management of pandemic 2009 influenza A H1N1, Chandigarh - A success story | Dr HC Gera |
| 0905-0915h | Challenges in pest control on board ships | Surg Cdr (Dr) Shabeena Tawar |
| 0915-0925h | Role of medical colleges in implementing RNTCP | Dr Rajesh Kumar Konduru |
| 0925-0935h | Assessment of awareness about swine flu among school going students | Maj (Dr) Ankur Nigam |
| 0935-0945h | Correlates of knowledge and consumption of tobacco in adolescents of an urban slum of western Maharashtra | Maj (Dr) Surinder Kumar |
| 0945-0955h | Epidemiology of unintentional injuries among under five children and expenditure incurred in their management in a rural area and a metropolitan city | Dr Vaishnavi C |
| VENUE | SUSHRUTA | |
| CHAIRPERSONS | 1. Dr AL Sharma Prof, Dept of Community Medicine, Manipal College of Medical Sciences, Pokhra, Nepal 2. Col Shishir Jain Col Health, HQ Southern Command (Med) | |
| TIME | TOPIC | SPEAKER |
| 0845-0855h | Evaluation of vector borne disease surveillance system in Shahdara south zone, East Delhi Municipal Corporation | Dr Ginisha Gupta |
| 0855-0905h | Hospital based surveillance: An effective tool for infectious disease control | Dr Shefalee K Pai Vernekar |
| 0905-0915h | Surveillance plan for H1N1 for troops and family at Division level | Maj (Dr) Amitava Dutta |
| 0915-0925h | Assessment of vaccination coverage among recruits in a training establishment: Vaccination policy and implementation gap | Surg Lt Cdr (Dr) Santosh Kumar Swain |
| 0925-0935h | Epidemiological investigation of Chennai leak related illness at Tughlakabad, South-east district Delhi, May-Jun 2017 | Dr Sushma Choudhary |
| 0935-0945h | To estimate the prevalence of tobacco use among elderly in rural population of Western Maharashtra | Maj (Dr) Himanshu Sharma |
| 0945-0955h | A cross sectional study to assess the food preference and prevalence of HFSS food consumption in school children of an urban area of Western Maharashtra | Maj (Dr) ShikhaTyagi |

RONALD ROSS INTER COLLEGE PG QUIZ

| | |
|---------------------|--|
| VENUE | DHANVANTARI AUDITORIUM |
| TIME | 1000-1100h |
| QUIZ MASTERS | Lt Col Puja Dudeja Assoc Prof, Dept of Community Medicine, AFMC, Pune |
